Definition of Bullying

Bullying can be defined as 'behaviour by an individual or a group, repeated over time that intentionally hurts another individual either physically or emotionally'. DfE 'Preventing and Tackling Bullying can include physical and emotional abuse such as name calling, taunting, mocking, making offensive comments, kicking, hitting, taking belongings, producing offensive graffiti, gossiping, peer isolation (e.g. excluding people from groups) and spreading hurtful and untruthful rumours.

The same unacceptable behaviours can be expressed online; this is sometimes called online bullying or cyberbullying. Specifically, this can include sending offensive, upsetting and inappropriate messages by phone, text, instant messenger, through gaming, websites, social media sites and apps, and sending offensive or degrading photos or videos.

Braywood C of E First School recognises that bullying can be emotionally abusive and can cause severe and adverse effects on children's emotional development.

Bullying is recognised by Braywood C of E First School as being a form of child on child abuse; children can abuse other children.

- Abuse is abuse and it should never be tolerated or passed off as 'banter', 'just having a laugh' or 'part of growing up'.
- We recognise that even if there are no reports of bullying, it does not mean it is not happening and it may be the case that it is just not being reported
- All victims will be taken seriously and offered appropriate support, regardless of where the abuse takes place
