## Braywood CE First School

## Year 3 Maths Curriculum

| Autumn Term 1 |  |  |
| :--- | :--- | :--- |
| Wk | Strands | Weekly Summary |
| 1 | Mental addition and subtraction (MAS); <br> Problem solving, reasoning and algebra <br> (PRA) | Use multiple of 5 and 10 bonds to 100 to solve additions and <br> subtractions; add and subtract 1-digit numbers to and from 2- <br> digit numbers |
| 2 | Number and place value (NPV); Mental <br> addition and subtraction (MAS); Problem <br> solving, reasoning and algebra (PRA) | Compare and order 2- and 3- digit numbers; count on and <br> back in 10s and 1s; add and subtract 2-digit numbers; solve <br> problems using plaee value |
| 3 | Mental multiplication and division (MMD); <br> Problem solving, reasoning and algebra <br> (PRA) | Know multiplication and division facts for the 5, 10, 2, 4 and 3 <br> times-tables; doubling and halving |
| 4 | Measurement (MEA); Problem solving, <br> reasoning and algebra (PRA); Geometry: <br> properties of shapes (GPS) | Know and understand the calendar, including days, weeks, <br> months, years; tell the time to the nearest 5 minutes on <br> analogue and digital clocks; know the properties of 3D shapes |
| 5 | Number and place value (NPV); Mental <br> addition and subtraction (MASS; ; Problem <br> solving, reasoning and algebra (PRA) | Comparing, ordering and understanding place value of 2- and <br> 3-digit numbers; subtracting from 2- and 3-digit numbers; <br> using prediction to estimate calculations |

| Autum Term 2 |  |  |
| :--- | :--- | :--- |
| Wk | Strands | Weekly Summary |
| 6 | Mental multiplication and division (MMD); <br> Fractions, ratio and proportion ( (RP); <br> Problem solving, reasoning and algebra <br> (PRA) | Doubling and halving numbers up to 100 using partitioning; <br> understanding fractions and fractions of numbers |
| 7 | Measurement (MEA); Problem solving, <br> reasoning and algebra (PRA); Mental <br> addition and subtraction (MAS) | Use money to add and subtract and record using the correct <br> notation and place value; add and subtract 2-digit numbers <br> using partitioning; add three 2-digit numbers by partitioning <br> and recombining. |
| 8 | Measurement (MEA) | Choose an appropriate instrument to measure a length and <br> use a ruler to estimate, measure and draw to the nearest <br> centimetre; know 1 litre $=1000$ ml; estimate and measure <br> capacity in millilitres |
| 9 | Number and place value (NPV); Mental <br> adddition and subtraction (MAS); Problem <br> solving, reasoning and algebra (PRA) | Place 2- and 3-digit numbers on a number line; round 3-digit <br> numbers to nearest 100; use counting up to do mental <br> subtractions with answers between 10 and 20, 10 and 30, and <br> either side of 100 |
| 10 | Mental multiplication and division (MMD); <br> Problem solving, reasoning and algebra <br> (PRA); Mental addition and subtraction <br> (MAS) | Revise times-tables learned and derive division facts; perform <br> division with remainders; choose a mental strategy to solve <br> additions and subtractions; solve word problems |

| Spring Term 1 |  |  |
| :---: | :---: | :---: |
| Wk | Strands | Weekly Summary |
| 11 | Number and place value (NPV); Mental addition and subtraction (MAS); Problem solving, reasoning and algebra (PRA) | Rehearse place value in 3-digit numbers, order them on a number line and find a number in between; compare number sentences; solve additions and subtractions using place value; multiply and divide by 10 (whole number answers); count in steps of 10,50 and 100. |
| 12 | Mental addition and subtraction (MAS); Mental multiplication and division (MMD); Statistics (STA); Problem solving, reasoning and algebra (PRA) | Add pairs of 2-digit numbers using partitioning (crossing 10s, 100 or both) and then extend to add two 3 -digit numbers (not crossing 1000); recognise and sort multiples of $2,3,4,5$, and 10 ; double the 4 timestable to find the 8 times-table; derive division facts for the 8 times-table; multiply and divide by 4 by doubling or halving twice |
| 13 | Fractions, ratio and proportion (FRP); Problem solving, reasoning and algebra (PRA) | Identify $1 / 2 \mathrm{~s}, 1 / 3 \mathrm{~s}, 1 / 4, \mathrm{~s} 1 / 6 \mathrm{~s}$, and $1 / 8 \mathrm{~s}$; realise how many of each make a whole; find equivalent fractions; place fractions on a 0 to 1 line; find fractions of amounts |
| 14 | Geometry: properties of shapes (GPS); Geometry: position and direction (GPD); Measurement (MEA) | Recognise right angles and know they are $90^{\circ}$; understand angles are measured in degrees; recognise ${ }^{\circ}$ as the symbol for the measurement of degrees; name and list simple properties of 2D shapes; begin to understand and use the term perimeter to mean the length/distance around the edge (border) of a 2D shape; begin to calculate using a ruler; know a right angle is a quarter turn; know $360^{\circ}$ is a full turn; begin to understand angles and identify size of angles in relation to $90^{\circ}$ |
| 15 | Number and place value (NPV); Mental addition and subtraction (MAS) | Place 3-digit numbers on empty 100 number lines; begin to place 3digit numbers on 0-1000 landmarked and empty number lines; round 3digit numbers to the nearest ten and to the nearest hundred; use counting up as a strategy to perform mental subtraction (Frog); subtract pounds and pence from five pounds; use counting up (Frog) as a strategy to perform mental subtraction of amounts of money; subtract pounds and pence from ten pounds |

| Spring Term 2 |  |  |
| :--- | :--- | :--- |
| Wk | Strands | Weekly Summary |
| 16 | Number and place value (NPV); <br> Problem solving, reasoning and <br> algebra (PRA); Written addition <br> and subtraction (WAS) | Understand place-value in 3-digit numbers; separate 3-digit numbers <br> into hundreds, tens, and ones; add two 3-digit numbers using vertical <br> written addition (expanded); add 2- and 3-digit numbers using vertical <br> written addition (expanded) |
| 17 | Mental addition and subtraction <br> (MAS); Written addition and <br> subtraction (WAS); Problem <br> solving, reasoning and algebra <br> (PRA) | Add two 2-digit numbers mentally; add 2-digit to 3-digit numbers <br> mentally using place value and rounding; add two 3-digit numbers using <br> expanded written method (answers under 1000); begin to move tens <br> and hundreds moving towards formal written addition; add two 3-digit <br> numbers using expanded column addition; investigate patterns in <br> numbers when adding them; choose to solve addition using a mental <br> method or expanded column adddition (written method) |
| 18 | Measurement (MEA) | Tell the time to the nearest minute on analogue and digital clocks <br> (minutes past and minutes to); time events in minutes and seconds; find <br> a time after a given interval (not crossing the hour); calculate time <br> intervals; solve word problems involving time |
| 19 | Number and place value (NPV); ; <br> Mental adddition and subtraction <br> (MAS); Problem solving, <br> reasoning and algebra (PRA) | Order 3-digit numbers and find numbers between; solve subtractions of <br> 3-digit - 3-digit numbers using counting up (Frog); use counting up and <br> counting back as strategies to perform mental subtractions; choose to <br> solve a given subtraction by counting up or counting back |

Mental multiplication and division (MMD); Written multiplication and division (WMD); Problem solving, reasoning and algebra (PRA)

Double and halve numbers up to 100 by partitioning; solve word problems involving doubling and halving; multiply numbers between 10 and 25 by 1 -digit numbers using the grid method; divide multiples of 10 by 1 -digit numbers using known tables facts; see the relation between multiplication and division

| Summer Term 1 |  |  |
| :--- | :--- | :--- |
| Wk | Strands | Weekly Summary |
| 21 | Mental addition and subtraction <br> (MAS); Problem solving, reasoning <br> and algebra (PRA); Written <br> multiplication and division (WMD); <br> Fractions, ratio and proportion (FRP) | Add 3-digit and 1-digit numbers mentally, using number facts; <br> subtract 1-digit numbers from 3-digit numbers mentally using <br> number facts; add and subtract multiples of 10 by counting on and <br> back in 10s and using number facts to cross 100s; compare and <br> order fractions with the same denominator; begin to recognise <br> equivalences of 1/2; add and subtract fractions with the same <br> denominator |
| 22 | Mental multiplication and division <br> (MMD); Problem solving, reasoning <br> and algebra (PRA); Written <br> multiplication and division (WMD) | Use function machines to multiply by 2, 3, 4, 5 and 8 and <br> understand the inverse; use scaling to multiply heights and weights <br> by 2, 4, 8, 5 and 10; use known facts to multiply multiples of 10 by 2, <br> 3,4 and 5; multiply numbers between 10 and 30 by 3, 4 and 5 using <br> the grid method; multiply 2-digit numbers by 3, 4, 5 and 8 using the <br> grid method |
| 23 | Mental multiplication and division <br> (MMD); Written multiplication and <br> division (WMD) | Divide without remainders, just beyond the 12th multiple; division <br> using chunking, with remainders; use the grid method to multiply 2- <br> digit numbers by 3, 4,5 and 8; begin to estimate products |
| 24 | Statistics (STA); Problem solving, <br> reasoning and algebra (PRA); <br> Measurement (MEA) | Draw and interpret block graphs and pictograms where one <br> square/symbol represents two units; compare and measure weights <br> in multiples of 100g; know how many grams are in a kilogram; <br> estimate and weigh objects to the nearest 100g; draw and interpret <br> bar charts where one square represents one hundred units |
| 25 | Mental addition and subtraction <br> (MAS); Writien adddition and <br> subtraction (WAS); Problem solving, <br> reasoning and algebra (PRA) | Add 3-digit and 2-digit numbers using mental strategies; add two 3- <br> digit numbers using mental strategies or by using column addition; <br> use reasoning, trial and improvement to solve problems involving <br> more complex adddition |

## Summer Term 2

| Wk | Strands | Weekly Summary |
| :--- | :--- | :--- |
| 26 | Written addition and subtraction (WAS); <br> Mental addition and subtraction (MAS); | Use column addition to add three 2-and 3-digit numbers <br> together and four 2- and 3-digit numbers together; subtract 3- <br> digit numbers using counting up; solve word problems <br> choosing an appropriate method |
| 27 | Written addition and subtraction (WAS); <br> Mental addition and subtraction (MAS); <br> Problem solving, reasoning and algebra <br> (PRA) | Add 3-digit numbers using column addition; solve problems <br> involving measures; solve subtractions of 3-digit numbers <br> using counting up on a line and work systematically to find <br> possibilities; choose an appropriate strategy to solve addition <br> or subtraction |
| 28 | Geometry: properties of shapes (GPS); <br> Measurement (MEA) | Identify, name and draw horizontal, vertical, perpendicular, <br> parallel and diagonal lines, angles and symmetry in 2D <br> shapes; measure the perimeter of 2D shapes by counting and <br> measuring with a ruler; tell the time on analogue and digital <br> clocks to the minute, begin to tell the time 5, 10, 20 minutes <br> later, recognise am and pm and 24-hour clock times |
| 29 | Written multiplication and division (WMD); <br> Problem solving, reasoning and algebra <br> (PRA); Mental multiplication and division <br> (MMD); Fractions, ratio and proportion <br> (FRP); Decimals, percentages and their | Use the grid method to multiply 2-digit numbers by 3, 4, 5, 6 <br> and 8; estimate products; divide using chunking, with and <br> without remainders; decide whether to use multiplication or <br> division to solve word problems; recognise tenths and <br> equivalent fractions; find one-tenth and several tenths of |

[^0]|  | equivalence to fractions (DPE) | multiples of 10 and begin to find one-tenth of single-digit <br> numbers |
| :--- | :--- | :--- |
| 30 | Mental addition and subtraction (MAS); | Revise column addition for adding three 3-digit numbers; <br> revise mental strategies for addition; subtract 3-digit numbers <br> Written addition and subtraction (WAS); <br> Problem solving, reasoning and algebra <br> (PRA); Written multiplication and division <br> (WMD); Mental multiplication and division <br> (MMD) |
| using written and mental methods; find change using counting <br> up; check subtraction using addition; multiply numbers <br> between 10 and 40 by 1-digit numbers using grid method; <br> solve division problems just beyond the known tables facts |  |  |

[^0]:    (e)
