

Our code of conduct for drivers

We would like to keep our school a safe and friendly environment for all our children, teachers and parents. We would like to preserve good relations with our neighbours and local residents. With that in mind we have built a code of conduct to make sure we are all using the road safely and act with consideration.

- 1. Please do not park on the double yellow lines**

- 2. Please do not turn your car around in the school or annex**

- 3. Please do not park across people's driveways or use them to turn around.** (Safe turning points are the Fifield Road and Red Lion pub).

- 4. Please do not do three point turns in the road**

- 5. Please only let your children use the door on the pavement side**

- 6 ...and please make sure you always consider the impact of your behaviour on others**
